

Dear Members of Business Society Whom May Concern,

DYO Boya Fabrikaları Sanayi Ticaret A.Ş. is a Turkish paint manufacturer that is founded in 1927.

As the oldest Turkish paint manufacturer currently DYO operates 3 factories, from where we export high quality goods in numerous colors to our beloved partners from all around the globe.

Our wide product portfolio covers 11 coating & protection categories so that we can elaborate logical solutions to any of your decorative & industrial needs and problems. Those categories are listed as Decorative Paints, Industrial Paints, Furniture Paints, Car Refinish, Powder Coatings, Marine Paints, Coil Coatings, Heat Insulation Systems, Protective Coatings, Polyester and Military Usage Paints.

In the case of decorative paints we intend to enhance our relationship with Greek customers and expand our business into Greece market. Therefore currently we look for a reliable business partner/distributor with whom we may contribute into common business between us.

As you become our distributor, then you will have several benefits from it. In order to support you in the market we offer periodically technical trainings, construction project visits, support on exhibition & fairs, tinting machine and roofs for your showroom, catalogue, color chart and various promotion materials for your customers.

If you are in construction material business and have any interest, please feel free to contact with me.
