FUTURE
SUMMIT

18 APRIL
CERCLE GAULOIS

PERSONAL INVITATION

Dear Sir/Madam,

We are delighted to invite you to the **Ukraine's Future Summit**, happening on **April 18th** at **Cercle Royal Gaulois, Rue de la Loi 5, 1000 Brussels**.

With the title "**Investing in Tomorrow's Potential**", the Summit comes at a pivotal moment for EU-Ukraine relations, as in mid-December 2023, the European Council approved Ukraine's EU membership pursuit and in February 2024 agreed on a €50 billion support package, a crucial steps for the country's economic and political integration with Europe.

This conference aims to achieve two primary objectives: firstly, it serves as a platform for effective communication and keeping abreast of the latest developments, ensuring participants are well informed and connected and updated on the development of future instruments, notably under EU's Ukraine Facility. Secondly, the conference aims to foster invaluable connections and facilitate meaningful engagements between EU-based and Ukrainian business communities.

The conference will focus on EU efforts to foster investment into Ukraine's recovery and reconstruction. It will take advantage of the launch of the Pillar II of the Ukraine Facility - the new Ukraine Investment Framework. Key sectors of the Ukrainian economy will be discussed by high-level representatives of the EU institutions, governments, International Financial Institutions as well as distinguished company leaders.

Join us as we welcome **Yulia Svyrydenko**, First Deputy Prime Minister of Ukraine, **Hadja Lahbib**, Belgian Minister of Foreign Affairs, **Gert Jan Koopman**, Director-General for DG Near, among many others.
